Importance Of Safety Council Cited By City Council Actions

Holden Assembles Report From Official City Minutes

A major portion of recommendations submitted to Upland City Council by Upland Safety Council since its reactivation June 19, 1958 have been acted upon by the city fathers.

This was answer submitted by Councilman Philip Holden to recent expressions of discouragement made by Chairman Harold Barbour and members of the safety body and an editorial by THE NEWS which pointed out the Safety Council performed an important community service and should continue to function.

To back up his point, Councilman Holden obtained a minute record of Upland Safety Council from time of its reactivation.

The record, as contained in minutes of City Council meetings, shows that Safety Council recommendations have been rebuffed only in regard to some sidewalk and service road matters and those pertaining to territory outside local jurisdiction.

Rebuffs Pile Up

Discouragement of members of the safety group stemmed mainly from the fact that the rebuffs in regard to sidewalks and service roads all piled up at just about the same time this year.

An attempt to get sidewalks installed north of Foothill Blvd. on Euclid Ave. proved abortive when overwhelming opposition by the property owners concerned was met at a Public Forum held by the Safety Council.

At last meeting of the Safety Council Oct. 14, Chairman Barbour observed, "We don't seem to be getting very far on major issues." He recommended that, in view of this and the press of daily affairs upon each member of the safety body, steps be taken to eliminate field trips from duty of the Safety Council. The five-member board, composed of Chairman Barbour ,Mrs. Joy Byrket, Dell Gibson, Sgt. Tom Davis of the Upland Police Dept. and City Engineer Harold Wilder, unanimously approved a recommendation to City Council that the city manager appoint a city employe to report on conditions that might constitute hazards to public safety.

No Action Taken

No action has been taken by City Council on that recommendation, nor one made at the same Safety Council sessin recommending "the earliest possible" acquisition of radar equipment by the Police Dept. together with necessary personnel for its operation.

After a request for sidewalks on Euclid Ave. above Foothill Blvd. was denied by councilmen "since it has not been proven" the public's health, safety and welfare is "seriously affected" by the lack of sidewalks in the area, Chairman Barbour of the Safety Council said:

"Apparently City Council doesn't see eye to eye with the Safety Council regarding the need for sidewalks. I think we should re-examine our work and confine ourself to policy, a field in which we may be more useful."

Mr. Barbour also pointed out Safety Council recommendations on service roads along Foothill Blvd. had proven "futile."

Future In Doubt

Since that Oct. 14 meeting, the Safety Council has not been in session. Sgt. Davis, the Police Dept. representath Police Dept. representative, resigned to go into private business. Another member of the body has been sick.

Chairman Barbour departed Christmas Day by air for a vacation in Hawaii. He told THE NEWS that after he returns Jan. 4 he will confer with Mayor Abner Haldeman about future of the Safety Council.

In the editorial published by THE NEWS on Dec. 17 were these comments:

"In this ditorial we are not taking sides on specific actions by either the City Council or the Safety Council.

"We do feel there is a place for the Safety Council, that it should be continued. As a fact-finding group their work will contribute greatly to the City Council's awareness of the massive problem involving automobiles and traffic ,and to provide the people with information on subjects that must be faced.

"It would be a shame to see the Safety Council disappear."

It is also Councilman Holden's belief that Upland Safety Council is an important civic body which should continue to function.

From City Council minutes, he has had prepared a 6 page report of city actions on Safety Council recommendations which backs up his belief.

He plans to present the report to Mayor Haldeman.

Report Highlights

Here are highlights of that report:

6-19-58 — Moved by Nicholson that the Safety Council be reactivated. Seconded by Kistinger and carried.

7-3-58 — Regular monthly Safety Council meetings scheduled for second Wednesday in Council Chamber.

9-18-58 — City Manager Alder reported certain work on recommendations submitted by the Safety Council had been accomplished: Brush removed, certain signs replaced and painted. Moved by Kistinger that the Safety Council and processed by the city manager. Seconded by Leman and carried.

11-20-58 — Moved by Kistinger that recommendations of Upland Safety Council be accepted and the city manager and Police Dept. be notified to carry out the enforcement. Seconded by Nicholson and carried.

Outside Jurisdiction

12-16-58 — Moved by Kistinger that recommendations of the Safety Council be accepted and that those matters pertaining to territory outside the local jurisdiction be brought to attention of the adjacent governmental agency. Seconded by Nicholson man and carried.

1-20-59 — Safety Council submitted a three page list of recommendations to City Council. Moved by Kistinger that the recommendations be accepted and taken under advisement. Seconded by Leman and carrid.

2-3-59 — Moved by Kistinger that Safety Council recommendations be approved and the city manager and Chief of Police be instructed to carry them out with an eye toward equities and safety involved. Seconded by Nicholson and carried.

State Involved

2-17-59 — Moved by Kistinger that recommendations as presented by Upland Safety Council be approved with one exception, that a check be made to determine if this item contained the proper distance and the correct side of the street, that these minutes b turned over to the city manager and Chief of Police for necessary action and that matters which specifically require approval of the state to be carried out be noted and State permission requested to take the necessary action. Seconded by Holden and carried.

5-5-59 — Moved by Kistinger that action on Safety held over until next regular City Council meeting. Seconded by Nicholson and carried.

6-2-59 — Moved by Kistinger that recommendations of Safety Council be accepted with exception of those matters which have already been taken care of. Seconded by Holden and carried.

6-16-59 — Moved by Kistinger that Safety Council recommendations be tabled until next regular meeting of City Council. Seconded by Nicholson and carried.

Series of Actions

7-7-59 — Nicholson moved

BESIDE THE CHRISTMAS hearth with the children's stockings ready for Christmas Eve's visit of St. Nick, Mrs. Richard D. Griffin of 353 S. Vine accepts first place award of $30 from Charles Gehrken, Upland Chamber of Commerce Christmas Decorations Contest chairman. ontest judges — Mmes. Ed Cooley, William Gilliland and Philip White — rated contest entries on the basis of decor visible from the street for the pleasure of all passers-by. — NEWS Photo

HERE IS WINNING display in Upland Chamber of Commerce's Christmas decorations contest. This family and their dogs offer Christmas greetings to passers-by at the home of Mr. and Mrs. Richard D. Griffin, 353 S. Vine. The Griffins received a cehck for $30 for the homemade decorations.—NEWS Photo

SECOND PLACE DISPLAY in Upland Chamber of Commerce's Christmas decorations contest comes complete with angels hovering over the house. This caught the judges' eyes at the home of Mr. and Mrs. William Walters, 771 N. Second Ave. They received a $20 check.—NEWS Photo

Griffin Home Yule Winner

Mrs. Richard D. Griffin of 353 S. Vine, Upland, was presented a $30 check by Charles Gehrken Thursday morning, Dec. 24 for first place award in Upland Chamber of Commerce's Christmas decorations contest.

The judges selected the home of Mr. and Mrs. Griffin for first place, that of Mr. and Mrs. William Walters at 771 N. Second Ave. for second place, the display of Mr. and Mrs. Gerald Wilson at 1662 N. Laurel Ave. for third, and honorable mention went to Mr. and Mrs. Hal Thompson at 1373 N. First Ave.

Judges were Mmes. Ed Cooley, William Gilliland and Philip White.

Chairman of the contest was Mr. Gehrken.

Winning display at the Griffin home consists of a family lineup of snowmen bearing the family names — Richard, Bonnie and children John, Melinda and Bob — with the family dog and her litter of puppies lined up in front.

All were homemade from plywood by Mr. Griffin —the snow family made last Yule, the dog and line of puppies added this season when the family grew in that direction.

Retarded Children Location Desired In West Upland Area

Ontario - Pomona Assn. for Retarded Children would like to locate its facilities in the west Upland area.

Donation of an acre of land would make this possible.

This would be first step in obtaining consolidation of facilities for the area's retarded youngsters.

President Mrs. Irving Mandel of Ontario revealed this desire of the association to THE NEWS.

She reported that an attempt was being made to collect facts and figures which would show the definite need for such consolidated and centralized facilities.

The association wrote to Special Educations offices of the Los Angeles and San Bernardino County schools, but the reply in each case was, "No figures are available."

Letters have now been dispatched to individual school psychologists in the association's area requesting such figures.

"What we need is a site on the west side of Upland or in the area close to the Los Angeles County line," Mrs. Mandel reported. "We don't feel we have reached one third of the retarded children in the area."

Area of the Ontario-Pomona Assn. for Retarded Children includes Upland, Cucamonga, Claremont, Montclair, Chino, Ontario, Pomona, La Verne and San Dimas.

AID FOR RETARDED children comes from every level. One contribution made this year came from Upland's "Eleventh Street Gang" which held a Backyard Carnival at home of the General Smiths with permission of Upland City Council. Accepting contribution of $29.23 and left over carnival prizes for Ontario-Pomona Assn. for Retarded Children at the Ontario training center were, left, David Rousseau, Cucamonga, and Freddie and Luis Piedra, Ontario. Making the presentation for the Eleventh Street Gang were Rocci Newlan and Sharon Smih, Upland.—NEWS Photo

At present the association's rehabilitation center workshop for retarded persons over 15 years of age is located in Pomona. A total of 20 persons are enolled. The training center for retarded children from 3-15 years of age is located in Ontario where 30 youngsters are enrolled.

"We would need at least an acre of land to house both projects and have room for two playgrounds and a baseball field," Mrs. Mandel said.

Current thinking of the association directors is that one building with two entrances would contain both the workshop and the training center. Two playgrounds would be needed to separate the older youngsters from the younger.

Parking facilities and a baseball diamond would use remainder of the space, Mrs. Mandel explained.

Statistics Cited

"Statistics show that three out of every 100 children born are retarded," Mrs. Mandel said. "It is estimated that all the retarded children in the State would form a city the size of Long Beach."

Consolidated and expanded facilities, the association backers feel, would bring more of the area's retarded children to the workshop and training center where they could best be helped.

"And it is much cheaper to keep retarded children at home than to enter them in State institutions," Mrs. Mandel revealed.

She said it required one-third the cost.

Workshop Program

Mrs. Mandel described the workshop program as designed for the retarded who leave Special Classes. They are trained to enter commercial work fitting their capabilities. One current enrollee is in her 40's.

The training center prepares retarded children to enter Point Two Special Education Classes for youngsters with IQ generally below 50. Point One Special Classes, possible under State Aid in the school system, take care of those retarded children who reach the 50-75 IQ bracket.

Another advantage for a centralized center for the association would be easing of the transportation problem, Mrs. Mandel explained. Parents must bring their children to and from the training center and workshop.

"This is one of the reason many retarded children in our area do not reach us," the association president not-

(Continued on page 7)

The News' Top 10

Unwinding throughout 1959 was the yarn that tops the Top Ten NEWS stories of the year.

It might be entitled, "The Changing Face of Upland."

After years of work, sweat and tears by civic leaders, the Second Ave. railroad crossing and the three huge free parking lots in Upland Shopping Center were officially opened.

This led to overall remodeling of the rear entrances of Upland Shopping Center stores, a face-lifting chore that provided easy access from the parking lots to Second Ave. and an overall modernizing and beautifying of Upland.

A new post office was built and located at corner of C St. and Fifth Ave.

Judge Fred Jacobs' Upland Justice Court was relocated from cramped to spacious quarters at renovated corner of Ninth St. and First Ave.

First National Bank of Upland underwent a $200,000 moderization.

Owner Harold Gleason razed the 1893 two - story house at the rear of Baum Cleaners.

Upland Methodist Church built a modern new wing at corner of C St. and First Ave.

Upland Bakery remodeled as did Harold Long's Service Station.

Pactra Paint Co. built a $175,000 factory on 11th Ave.

McDaniel's Market was built and opened at Foothill Blvd. and Alta Ave.

W.F. Rugg Lumber Co. celebrated its 30th anniversary with grand opening of its remodeled buildings on Euclid Ave.

Len's Furniture and Quester's Beauty Shop opened in the new $30,000 building at corner of Arrow Hwy. and Third Ave.

A $450,000 medical center is under construction across the street from San Antonio Community Hospital.

The list goes on and on throughout the year.

The other nine of the Top Ten NEWS stories of 1959:

—Red Hill's incorporation move, now set for Feb. 2 election, which stole the thunder from Cucamonga incorporation plans and proposed Upland annexations.

—West End Industrial Tour in which Upland participated with Ontario and Cucamonga in showing off potential of this Area With A Future. Presence of Gov. Edmund (Pat) Brown as speaker showed statewide impact of the event.

—Upland College's accreditation as a four year liberal arts institution.

—Report of Upland School District's 14-member Lay Advisory Committee, offering 16 recommendations on district building priority and finances for the next five years.

—Refusal of West End United Fund Executive Board to accept resignation of President Allan Barr of Upland despite pressure applied by Ontario interests.

—Fluoridation's hue and cry from both pro and con that rocked Upland, leading to a "too controversial" label from City Council as it decided "to take no action" in the matter.

—The rash of bicycle-auto traffic accidents, nine in all, which caused Upland Police Dept. to issue citations in most cases to the youthful cyclists for ignoring stop signs and led Juvenile Officer Felix Quesada to term the situation a "community problem" which only parental and school safety training could overcome.

— Cucamonga's crossing guard drive which culminated in obtaining one for the dangerous Foothill Blvd. - Archibald Ave. intersection after seven long years of effort.

—Etiwanda's fight against

(Continued on Page 7)

OPPOSITION WAS vehement last summer when Upland Safety Council called for a Public Forum in City Hall Council Chambers to probe sidewalk safety, particularly along walkless areas of Euclid Ave. north of Foothill Blvd. This scene shows W. Wren Woodward presenting arguments against need for sidewalks there at the July 8 meeting. Other speakers pro and con at the forum included, front row, Dr. and Mrs. Truman Ackerson; second row, from right, Mrs. Ronald Ochu, Mr. and Mrs. Howard Scarborough, and second from end, Mrs. Howard Breeding; third row, second from left, Mrs. Max Lauderback; fourth row, left, Howard Merrill. Of the approximately 17 persons who spoke, 15 expressed belief sidewalks were not the solution for safety on Euclid Ave. north of Foothill, that answer forcing it.—NEWS Photo

More Questions On Water Master Plan

Upland City Council has no objection to a little more expense in regard to the Montgomery Report on a water system master plan for the city, it was indicated at adjourned meeting of the councilmen Monday afternoon, Dec. 21.

City Manager Elwin Alder asked if there would be any such objection. He said the Montgomery report had been filed and paid for.

Councilman William Kistinger, chairman of the Water Committee, reported that the water committee of the Ways and Means Committee had a few more questions which would require presence of the Montgomery engineer to answer. The answers to these questions, Mr. Kistinger said, might lead to amendment or change in the report. Possible expense of $100 was possible should a plate of the report have to be changed, the councilman estimated.

Councilman arvis Leman indicated the matter brought up by Don Adams of the Ways and Means Committee concerned coordination of preset mains with the master plan laid out by Montgomery. The Council approved an ordinance adding survival benefits to the California State Retirement System contract following second reading.

A committee has been named to select a new executive secretary for Upland Chapter, American Red Cross.

Chapter Chairman Wheeler Stanley heads the committee with Mrs. Warren H. Wass, Mrs. Thomas Ware, Dr. Paul Flory and Allen Lynch.

Also resigning was Mrs. Roberto Palmer, motor service chairman.

THE WEEK IN Ontario

Construction of the new Ontario Jewish Community Center at 965 W. Sixth St. has been started.

State Aid amounting to $680,355 has been approved for Ontario Elementary School District. Work is expected to start on six new classrooms and a library at Vernon Jr. High School in the spring. Remainder of the money is scheduled for eight special education rooms at Cypress School.

Low bid of $486,455 from Berry Construction Co. was accepted by Ontario Elementary trustees for the district's 29th school to be located on Lehigh St. and additions of four rooms at Kingsley School and a kindergarten and library at El Camino.

World Series in youth baseball was awarded to Ontario after Colt and Pony leagues announced merger of their 15 and 16-year-old programs.

Pakistanian At Water Meeting

Syed MD Hammad Ali, assistant secretary to the government of East Pakistan, Planning and Development Dept., attended the Dec. 23 adjourned meeting of Chino Basin Municipal Water District Board of Directors in Cucamonga. He was brought to the meeting by Ontario City Manager Harold Martin.

Mr. Ali was briefed on the Metropolitan Water District project by board members and Manager Howard F. Clark.

After the meeting Mr. Ali now in attendance at University of Southern California, remained to confer informally with the board and explain the mission of his group of 18 Pakistanians now touring the United States.

Later Director Otto S. Roen escorted Mr. Ali on an inspection tour of Los Olivos Housing area.

Attending the session was Harold Blatz, representative of Cucamonga County Water District.

EUGENE A. MICKLE, Carmichael — "Let's remember that America's greatness is based on free enterprise and the efforts of uncommon men of the past and the present."

WINNERS OF THIRD place in Upland Chamber of Commerce's Christmas decorations contest were Mr. and Mrs. Gerald Wilson at 1662 N. Laurel Ave. In front of the home was a path decorated with candy canes and carolers. On the roof of the house was Santa and his reindeer set for a chimney descent.—NEWS Photo

The Brazilians open the New Year by expressing the hope of all men...they designate Jan. 1 as the Day of Universal Brotherhood.

Ontario Bank In Dividend Payment

Ralph V. Arnold, president, First National Bank of Ontario, reported that at the bank board of directors meeting, Dec. 22, a dividend of $3.25 per share was voted to bank stockholders of record as of Dec. 22.

The dividend is payable Dec. 31. A dividend in the same amount was paid by the bank June 30, making a total dividend of $6.50 per share paid during the year.

The Directors voted to pay out of profits 15 per cent of annual salaries of eligible personnel into the Bank's Profit Sharing and Retirement Plan. All bank personnel participate in the plan upon completion of three full calendar years of employment to the bank. The payment will amount to approximately $34,000.

President Arnold also reported at the Meeting that new highs in the 72 year history of the bank were reached in December on both deposit and loans totals.

Upland Child Dies Christmas

Janet Mullis, 5, died Christmas Day in Childrens Hospital, Los Angeles, of burns she suffered here Dec. 11.

The child was daughter of Mr. and Mrs. Chester Mullis 1279 N. Fifth Ave., Upland.

Children playing with a can of gasoline kept in the garage for the power mower accidentally caused a blaze which flared Janet's clothing.

Mrs. Mullis desperately threw dirt on the child, trying to put out the flames. Mr. Mullis, leg in a cast as result of a motorcycle accident, threw himself on the child to smother the flames.

Janet was rushed to San Antonio Community Hospital for treatment and then transferred to Childrens Hospital. At first she seemed to be winning the battle.

Besides the parents, the child is survived by brothers Timothy, 9, and Pat, 7, and sister Susan, 8.

Miss Rae Farrar Becomes Mrs. Alan Richard Barr

Taking up residence in Ontario following honeymoon at Lake Arrowhead are Mr. and Mrs. Alan Richard Barr.

The bride is former Miss Rae Lynne Farrar, daughter of Mr. and Mrs. Raymond Farrar, 706 E. Emporia, Ontario. She is a Chaffey High School graduate of 1959, attending Chaffey College. She is a member of Dobintonios.

The bridegroom is son of Mr. and Mrs. Richard S. Barr, 950 Terrace Dr., Upland. He graduated from Chaffey High School in 1955 and attended Chaffey College and Cal Poly at San Luis Obispo. He was a member of Panther Blacks. Now he is associated with Barson Machine Works Inc., Ontario.

350 Guests

The double ring evening ceremony took place in Upland First Presbyterian Church with the Rev. Thomas M. Walker officiating. Before 350 guests, the bride was given in marriage by her father.

The bride wore original Cahill hand clipped Chantilly lace bodice with long sleeves, point over hand, Queen Anne Collar, empire bodice, princess style skirt of Peau de Soie and train insert of lace with Peau de Soie bows up skirt. She carried a cascade of white cattelya orchids and phaelanopsis orchids.

The bride's veil was of French silk illusion, finger tip length with wide border chantilly, crown of Peau de Soie and lace with pearls. Her jewelry was a single strand of pearls, gift of the bridegroom.

Maid of Honor

Maid of Honor was Bonnie Carlson. She wore Christmas red delustered satin and short red veil head dress with pearls She carried a muff of red and white peppermint carnations with a sprig of holly.

Bridesmaids were the Misses Susan Barr and Barbara Tibbetts. They wore the same ried a muff of white carnaried a muf ffo white carnations with holly sprigs.

Candlelighters were twins Janet and Judy Woodward in red choir robes carrying candles entwined with holly.

Best man was LeVerne Puffpaff. Head usher was Lawrence Ades assisted by Ed Ladegaard, Ed Bowman and Stanley Beal.

Reception was held in Ontario Elks Lodge. Assisting were Miss Betty Carlson, guest book, Mary Denton and twins Marilyn and Margaret Sylvia, all friends of the bride.

Church decorations included one huge white background bouquet of white mums and stock, white satin pew bows and two tall candleabra with white candles.

Flowers for the reception were red anthurrium and white phaelanopsis orchids, a gift from Miss Noe Kaimi of Honolulu, a friend of the bride.

Mr. and Mrs. Alan R. Barr

County Disposal Hearing Tuesday

County appeal for a cut and cover rubbish disposal site in the northwest valley area, long opposed by Etiwanda residents, takes place before County Board of Supervisors Tuesday, Dec. 29.

Time set for the public hearing is 10 a.m.

The appeal is in name of John R. Hiller, resulting from County Planning Commission's denial in the face of overwhelming Etiwanda opposition.

Dump site is generally located between Milliken Ave. and the Pacific Electric Railroad right of way.

The supervisors identify it as in the Alta Loma area.

Christian Group Visits Skid Row

Members of Upland-Ontario Christian Businessmen's Committee visited with men at the Door of Hope Mission in Los Angeles' Skid Row while they had Christmas turkey dinner.

A gospel meeting of songs, testimonies and prayer was conducted before serving the dinner. Harold Musser of Upland was in charge of the program. Giving testimonies were Rubin Wingerd, Ivan Engle, C.S Musser, Walt Rieder and Harvey Hamilton, Upland, and Roy Houtz, Alta Loma.

Musical selections were given by Earl Hinton, trumpet; June List, violin; and Walt Rieder, musical saw.

Among those working in the kitchen on the dinner was Richard Houtz, Alta Loma.

From The Mailbox

Board of Supervisors,
Court House,
San Bernardino.

Re: Etiwanda Dump and Garbage Site Hearing:

This entire matter certainly appears as if the Supervisors are taking an unfair and unjust advantage over a small community. Just how can we expect to receive a fair hearing with reference made to the methods and circumstances regarding appeal procedures when a governmental body such as you, orders one of your subordinates to appeal a Planning Commission decision back to the Board of Supervisors for a hearing and decision.

Now I ask you to search your conscience and ask yourselves, are proceedings such as these consistent with good government by the people and for the people? It is very doubtful and questionable that these procedings are legal, not to mention the moral aspects of your responsibility to act as a body where ourselves or any other community can receive a er community can receive a fair haring.

Remember you are servants of the taxpayers and electorate, how can you justify such bias and prejudicial actions.

Very truly yours,
Mrs. Geo. Robinson,
5959 Etiwanda Ave.,
Etiwanda.

January 1 became generally accepted as New Year's Day in the 1500's when the Gregorian calendar was introduced, according to World Book Encyclopedia. But the new year still begins on Mach 21 in Iran. And the Hindus have a different New Year's Day for each of their many religious groups.

VFW Post, Auxiliary Set For New Year's Eve Fete

Final preparations have been made for the New Year's Eve party by the Veterans of Foreign Wars Post 2085 and its Auxiliary, according to Mr. and Mrs. William Griffith, chairmen.

There will be a buffet dinner for members and guests. Dancing will be to the tune of the Duchs and Duchess orchestra.

In other business at last session of the VFW Post and Auxiliary:

Donated to Euclid Ave. Christmas decorations was $10.

Friday, Jan. 1 was declared a "dark night" by Ed Green, post commander, and Mrs. Hazel Hays, Hospital Auxiliary president.

The Post and Auxiliary will host the VFW Third District meeting Sunday, Jan. 31, Mrs. E. Sachs was named dinner chairman, Mrs. C.C. Sachs, table decorations chairman. The VFW Department Commander and President and department officers will attend this dinner and meeting.

It was voted to send gifts for Christmas to the shut-ins and needy families.

Refreshments after the meeting were served by Mrs. Miles Gregg.

Next meeting of the Post and Auxiliary was set for Friday, Jan. 15.

KURT G. APPERT, San Carlos electronics manufacturer on giving $1.5 million to his employes — "Get good people around you and attempt to treat them right."

Variance Sought North Of Upland

A variance application north of Upland will be considered by San Bernardino Planning Commission at 11 a.m. Wednesday, Dec. 30.

Submitted by Messrs. Norton and Ziccardy, the application requests a variance to create two substandard lots with an R-1 single residential zone.

The area is generally located between Hillcrest and Terrace Drs., approximately 300 ft. south of Mountain Dr.

"Mom, is he washable?"

No car or truck is too big for us to wash and lubricate — We go "all-out" and "all-in" besides. Inside and out your car is clean when we do the job.

Seminar Meeting On United Nations

Chaffey College's Model United Nations delegates under direction of Professor and Mrs. Charles S. Miller, advisors, conducted a seminar meeting at home of Mike Rose, Ontario.

The seminar on "The Nature of the United Nations" was conducted by Dr. W. Henry Cooke of Claremont Graduate School and Harvey Mudd College.

Others present at the session were: Harry Beninghof, Martin Derfer, Alta Loma, Robert Ansel, Joseph Bickford, Geore Dunning, David Hintz, Upland, Olive Jones and Jim McElvany.

Refreshments were served by Mrs. Manley Rose and Olive Jones.

"Cleaning the slate" on New Year's Day once involved a lot of elbow grease. World Book Encyclopedia says the English used to clean the chimneys on the first of the year for good luck.

7 Buses Set For New Alta Loma Campus

A fleet of seven buses will carry students to and from the new Alta Loma campus of Chaffey College, according to Comptroller William Grigsby. The district will purchase three new buses in addition to three purchased from Chaffey Union High School and one presently owned by the college.

Specific bus routes are being mapped on basis of information gathered from a survey of student transportation needs recently conducted by Dean of Student Personnel Leonard Mather.

Bus transportation to and from the new Alta Loma campus will be required by 26 per cent of the students planning to attend, Mr. Mather said.

Figures released by the dean's office indicate that 49 per cent of Chaffey students plan to drive their own cars. Of those riding buses 47 per cent live in Ontario, 14 per cent in Upland, 12 per cent in Fontana, 11 per cent in Corona and Norco, 5 per cent in Montclair, 4 per cent in Chino, 2 per cent in Claremont, 2 per cent in Cucamonga and 3 per cent in various foothill communities.

"We will attempt to provide free bus transportation for students living two miles or more beyond the campus as far as available funds will permit," Dean Mather said.

Catholic Group Elects Officers

Members of Altar and Rosary Society of St. Joseph's Church, Upland, met recently for election of officers for the coming year.

Elected were President Mrs. Rochard Sherman, Vice President Mrs. Harold Long, Secretary Mrs. Louise Rose, Sacristan Mrs. Agnes Young, assisted by Mrs. Joseph Rea and Mrs. Robert Wagner, and Mrs. Ben Johnson, publicity.

Gifts were presented to all outgoing officers and guild captains by Father Michael Browne.

Upland Cees Add To Victim List

Coach Harley Lovitt's Upland High School Cee basketball tem defeated Chaffey 26-16 to continue its season unmarred.

David Storms led the visiting Highlanders with 14 points, followed by Richard Green with 6. Ralph Molinar and Jay Vickers each had 2. Jim Ledesma and Tim Wynn had 1 each.

Coach Lovitt summed up the effort with, "All the players hustled and the shooting accuracy of Storms certainly helped."

Highlander Dees Drop 2 To Tiges

Upland High School's Dee cagers fell twice last week to the Tiger kids from Chaffey. Both games were played on the Chaffey campus.

Margin of the first game, played Tuesday, Dec. 15, was 28-15. The Highlanders slightly improved for the next contest, ending it 29-19.

Th second game played Friday, Dec. 18, saw Upland cager Blatnick score 8 points, followed by Jim Evans with 7. Hughes was the only other scorer with 4.

For the hosts, Ed Copas tallied 10, followed by Bill Boyen with 7. Rest of the pointmakers were Runquist (4), Antonelli (6) and Renna (2).

North Town Council Plans Many Probes

North Town's Community Service Council has just begun to fight.

Recently reactivated in Cucamonga District, the council has received assistance from West End Council of Community Services, a member agency of West End United Fund.

Decision was made to concentrate initially on drainage improvements in North Town. A comittee of five went to work to collect factual material to instigate action in obtaining necessary improvements.

First public meeting held Dec. 18 presented this material to County Supervisor Richard Manley of Upland and Kendall More, representative of the County Highway Dept. Answers to questions of what can be done to eliminate winery waste conditions and instigate flood control measures were promised by the county representatives.

But other projects will follow this first step of the North Town body.

Other problems in that section of Cucamonga which the council has determined to investigate include:

—Need for sidewalks.

—More adequate law enforcement.

—Delinquency preventives.

— Recreational opportunities for those 14-19 years of age.

—Improved housing for low-income families.

Turkey Fly-Out

Thirty-five members of Chaffey College Flying Club participated in a Thanksgiving weekend flying outing under direction of Prof. Fred Felsch and Lloyd Aanstad, club advisors.

A total of five planes, three belonging to the flying club and two owned by club members, participated in the event. Participating students brought along sleeping bags and slept out at Kernville Airport. Competitive events featured 180 and 360 power-off spot landings, power-on spot landings and bomb events.

SPREADING CHRISTMAS cheer last week were these Girl Scouts, Peggy Haigh, Peggy Adams, Anna Redigonda and Maggie Stamm. As Upland Chapter Jr. Red Cross project in cooperation with Upland Woman's Club and Upland Mennonite Church, the girls visited North Air Force Base Hospital to distribute cookies, monkeys and tray mats prior to Christmas. —NEWS Photo

Upland Bees Fall To Colton Cagers

Upland High School's Bee cagers fell to Colton 60-25 in their worst game of the year. The Yellowjackets went ahead early and Upland's floormen chased after their heels rest of the game.

Only standouts for the Highlanders were Jim Fink and Steve Snyder, both with 7 points. Fink led in th scoring dpartment against Chaffey with 23.

Coach Lloyd Conner's cagers had many shooting chances, both from the floor and the foul line, but his ovalmen had lost their accuracy. Balls were bouncing off Upland rims all night long.

Interest Increase

C. Richard Hield, vice president of Upland Savings and Loan Association, 196 N. Second Ave., Upland, announced that starting Jan. 1, the association will pay 4½ per cent on all accounts placed with them. Mr. Hield stated the rate increase was consistent with the association's policy of paying highest interest rate in keeping with insured safety.

William Boyer

Fellowship In Science For Boyer

William E. Boyer, associate professor of Physics at Upland College, has been awarded a Science Faculty Fellowship by the National Science Foundation, according to Dr. Ernest L. Boyer, dean of Upland College. This award totals $6000, plus tuition fees and traveling expenses and will be used by Mr. Boyer to pursue a doctoral program in physics during the 1960-61 academic year.

The Science Faculty Fellowship was awarded on basis of Mr. Boyer's record as a science teacher and his ability to improve his teaching through additional study or research. Selection was based upon letters of recommendation, academic records, and other appropriate evidence of professional activities.

William Boyer joined Upland College faculty in September, 1952, and has served as Chairman of the Natural Science Division since that time. During the past five years, students majoring in physics under Mr. Boyer's leadership have pursued graduate study and achieved enviable records in industrial assignments.

Firing Line Close-Up For Tutors-To-Be

An opportunity to watch local elementary school teachers "on the firing line" and to later talk over their impressions with these teachers, was afforded 25 members of Chaffey College Student Teachers Assn. recently. Members of the group toured Kingsley Elementary School as guests of Principal Charles Robar.

Breaking into small groups, the college students visited five elementary classrooms to watch instruction in spelling, reading and arithmetic by members of the Kingsley faculty. Following this, student teachers attended a seminar meeting with the faculty where such subjects as discipline, subject matter, attention span, and proper preparation for a teaching career were discussed.

Faculty members stressed "patience, understanding and love of children" as prime elements of a successful teaching career.

Chaffey College Prof. Donald E. Bartell, advisor to the group, announced the club has decided to contact other schools in the area and make such classroom visitations a regular part of the club's program as result of this experience.

REX WIGNALL

Director At Chaffey Tells Of Naval Education Plan

The United States Navy, faced with a problem in training officers for moral and ethical responsibilities of leadership, has undertaken a unique educational program to meet that need, reports Chaffey College Director Rex W. Wignall after a recent Navy sponsored tour of Naval training and educational institutions.

Mr. Wignall, who recently returned from the tour, was guest of Rear Admiral Allen Smith Jr., USN, Chief of Naval Air Reserve Training Program, along with other educational business and civic leaders at Pensacola, Florida.

"Trying to teach inspiration is, of course, a most difficult and challenging problem at every level of education," Mr. Wignall noted, "and I was most interested in the Navy's attempt to attack this problem directly."

"The Navy is trying to make all young officers aware of the fact that the inspirational leader must assume a sincere interest in and obligation for the total welfare of the people under his direction. The Navy is finding that the officer, who brushes personal problems aside, or simply sends his men to the Chaplain, is not likely to inspire devoted service," Mr. Wignall pointed out.

Naval authorities are convinced improved leadership has actually cut down the number of failures under field conditions. "I think this is good education," Chaffey's director said.

During the tour Mr. Wignall also observed newest Naval techniques and equipment involved in teaching practical skills and subjects. He noted an increasingly heavy emphasis on visual educational devices and a "how to" approach to subject matter.

US: *Saving!*

GROUCHO: Reading my mind, eh? Do your parents know you read that sort of thing?

US: We've *always* known the secret, Mr. Marx. We're the Bank of America.

GROUCHO: Got all the answers, huh? Well, give me fifty reasons why I should save at Bank of America.

US: Well, actually, there are fifty-nine—the fifty-nine services available to every Bank of America depositor.

GROUCHO: Impress me some more.

US: That means with your savings deposited at Bank of America you can count on help with *all* your financial transactions—from setting up a trust fund to cashing a check, from managing your securities to...

GROUCHO: May I suggest a sixtieth service?

US: What's that, Mr. Marx?

GROUCHO: Help my wife balance her checkbook!

Prosperity Week: Coming Your Way With Dozens Of Bargains Listed Here

CHAIRMAN JOSEPH SOLANO makes point during public meeting of North Town Community Service Council in Cucamonga Friday, Dec. 18. Waste of wineries and flood potential conditions were aired before County Supervisor Richard Manley and Kendall More of the County Highway Dept. Juan D. Acevedo, board member of California Youth Authority, and Clyde Madden, West End Community Council executive, were also present.—NEWS Photo

Top Ten

(Continued From Page 1)

location of a county disposal site in that area, a battle which is still in progress.

Other NEWS highlights of 1959:

—H.E. Cassel of Upland observed his 97th birthday anniversary after he and Mrs. Cassel, 90, noted their 70th wedding anniversary.

—The Priscilla Club celebrated its 50th anniversary by honoring Mrs. William Rohrig's 95th birthday anniversary.

—A total of 1191 citizens signed THE NEWS' petition urging harsher penalties against "dope" pushers.

—Postmaster Roy Ray announced end of Upland's last rural route, making Upland a metropolitan area in post office eyes.

—Developer W.R. Groschan announced plans for a Sunkist Market and other stores on the Carl M. Buck property beside the new post office.

—Mr. and Mrs. Amos R. Colborn announced change of ownership to Malcolm Wise after 39 years with their Colborn Electric Co. store.

—Proudest boy in Upland was Harold A. Camilli when his dog was named "most heroic" by Humane Society of the Chaffey District.

—The City of Upland reduced its tax rate one cent while Cucamonga County Water District reduced its tax rate two cents. The move failed to prevent a shock when area taxpayers received their amply increased tax bills this year.

—Upland's Safeway Store closed its doors.

—Alta Loma's B.P. John Furniture Co. factory shut up shop.

—Fruehauf Trailer plant went into production at San Bernardino Freeway and Haven Ave.

—Upland City Council approved a 13-month year to make up for some dilatory council of the past which must have enjoyed an 11-month year.

—Mrs. Eugene Dickson of Upland turned up with a hard-boiled egg without a yolk and then battled the city's anti-castor bean ordinance to a standstill by defending one in her backyard as a "gopher-eliminator."

—Upland High School captured its first varsity sports title with a topnotch water polo team.

Trustee Session

A session on school district organization has been scheduled for school board trustees within the Chaffey Union High School District.

A dinner meeting will be held in the Upland High School cafeteria Jan. 28.

Judge D.C. Higgins, chairman of the Los Angeles County Committee for School District Organization will be the speaker.

Letters have been sent to all school boards within the high school district explaining purpose of the meeting and inviting attendance, it was announced by Supt. Allan Smith.

Safety Council

(Continued From Page 1)

that this City Council go on record as approving curb installation recommended by Safety Council at northwest corner of Second Ave. and Eighth St. and that the city manager be requested to contact the property owner with view to working out possibility of street curb installation. Seconded by Leman and carried. Moved by Leman that Safety Council recommendations on the Foothill Blvd. service road at McDaniel's time the market is operating. Seconded by Nicholson and carried. Moved by Nicholson that Postmaster or owner of the Post Office property be contacted with request that bumper be removed from city property and that if the bumper is desired it be protected on the street side by plantings to remove the safety hazards cited by Safety Council. Seconded by Holden and carried. Moved by Kistinger that street committee study feasibility of sidwalks from Euclid Ave. to the alley on both sides of 14th St. and on 11th St. from Second Ave. east to the alley. Seconded by Nicholson and carried.

Retarded

(Continued From Page 1)

ed. "Another reason is that some parents are not yet ready to let go of their children."

Mrs. Mandel said she personally knew of at least 15 families with retarded children who were not bringing them to the training center.

The association's property fund is $2000, Mrs. Mandel reported. Its budget next year has been set at $28,000. Of this $17,000 comes from the various United Fund drives. The West End United Fund which includes Upland has $1000 scheduled for the Retarded Children Assn.

Donations Needed

So obviously the association will have to depend upon donations if it is ever to have a consolidated center in the Upland area.

How are the retarded children handled in other areas?

In San Bernardino and Long Beach, city land has been leased to the association at something like $1 per year. For the buildings, businessmen have contributed materials and trade unions have supplied labor.

San Bernardino's School of Hope was recently expanded under this system and now is handling from 75 to 100 children.

Aid Source Sought

Since majority of backers and workers for the Ontario-Pomona Assn. for Retarded Children are the parents of the children themselves, the school system is being felt out at the present time to determine if aid cannot also come from that source.

But, emphasized Mrs. Mandel, the need is here now, it is great, and from whatever direction help may come, the need has to be met.

Adult School

To obtain a full background Union High School District Board of Trustees and administrators will meet with Milton Babitz, State consultant on Adult Education.

The meeting is scheduled for Jan. 14. It begins with 5:30 p.m. dinner in Faculty Dining Room on the Chaffey campus.

Currently under consideration is creation of an adequate evening high school program for adults at the three district high schools in Upland, Montclair and Ontario to take up the slack which will occur when Chaffey College drops its so-called Adult Education Program of avocational and recreation classes in September, 1960.

Serving in the African mission field under sponsorship of Brethren in Christ Church are 16 Upland College alumni.

ALLEN LYNCH

Upland Man In New Post For Kaiser

Allen Lynch, 268 W. Eighth St., Upland, has been appointed manager of Employe Communications at Kaiser Steel's Fontana plant. He will be responsible for maintaining the flow of information about corporate and plant activities among employes.

Mr. Lynch joined Kaiser Steel in 1950 in Maintenance and Inspection before becoming editor of Plant Publications. He was appointed assistant director of Public Relations in 1957. Prior to joining the company, he was associated for eight years with the Will Hays office in Hollywood in administering the Motion Picture Code.

A native of Boston, Mass., Mr. Lynch attended Santa Clara Gonzaga. He did postgraduate work at Catholic University of America in Washington, D.C. and at University of Southern California where he was awarded teaching credentials. He taught high school in Pasadena and Phoenix.

Mr. Lynch is chairman of Public Relations Committee of National Management Assn., chairman of Lake Arrowhead Conference of Southern California Industry-Education Council, chairman of Chaffey District Planning Committee and vice chairman of Upland Red Cross. He is active in church and community activities.

His wife is Irene. They have three children, Dan, Frank and Elizabeth.

Cucamonga Zone Change Approved

A change of zone has been granted on property near Grove St. and Arrow Hwy., Cucamonga.

San Bernardino County Planning Commission granted changing of the zone from R-1 single residential to R-3 multiple residential for Johnton, Gibbs and Barnett.

Mid-East Briefing

Chaffey College delegation to the Model United Nations meeting, which will be held at University of California at Berkeley next spring, received a thorough briefing on Middle East politics recently from Prof. Kim Naffa at home of Mike Rose, Ontario.

Chaffey will represent Saudi Arabia at the Model U.N. conference. Prof. Naffa's talk covered such sujects as the Arab-Isreal conflict: United States foreign policy in the Mid-East and some possible approaches which might help a lessening of tension in that area.

Professor Charles Miller is advisor to the group. Present at the meeting were:

Jim McElvany, Pete Boss, Milton Rosenberg, Mike Rose, Jim Lemon, Harry Benninghoff, Jo Ann DeLora, Virginia Brancacio, George Dunning, Durward Bell Bruce Ansell and Prof. Charles Miller.
